Trustees' Annual Report (Incorporating the Director's Report)

Year ended 31 March 2020

The trustees, who are also the directors for the purposes of company law, present their report and the unaudited financial statements of the charity for the year ended 31 March 2020.

Chair's report

Introduction

I'm sat writing this report looking back at the year ending 31 March 2020 in what (except for the last couple of weeks) was an incredibly successful year for Life Education Wessex and Thames Valley. The organisation performing well financially and being in a sound financial position, together with the number of young people we have provided service to in the year increasing from 63,000 to over 72,000. As we entered the new financial year, things were to change dramatically, but that will be for next year's annual report.

As Chairman of Life Education Wessex and Thames Valley (LEW&TV) it gives me great satisfaction to lead an organisation that provides essential services in educating young people across the Wessex and Thames Valley areas, ensuring that they can make informed, positive healthy choices on topics such as drugs, alcohol and smoking as well as social interaction. Our preventative education continues to ensure our young people get the information and knowledge to help them make choices that should lead to healthy and fulfilling lives. Our educators and programmes fill a much-needed gap left by statutory health and education services, who still do not invest in preventative strategies and continue to provide reactive services to deal with poor physical and mental health and a prevalence of self-inflicted health issues caused by abuse of drugs, alcohol and tobacco.

Our Year

Due to continued review of our services, further efficiencies have been made to reduce the cost of provision of service down to £6.76 per child. It is pleasing to note that donations from trusts and contributions from corporates showed an increase in the year ending 31 March, despite fundraising continuing to be one of the most challenging aspects of our operation.

Our Charitable Activities

During this year, our Educators have seen approximately 70,000 children across the whole region. School budgets are becoming increasingly tight, which means the retention of existing schools and the development of new business across the region is very challenging. With school finances expected to continue on this downward trend over the next few years, the situation will only become increasingly difficult. We are continuing to meet this challenge through diversification, flexibility and added value in terms of our pricing strategy and modular offer of services to schools. As well as the core mobile classroom-based programmes, we also offer school based cyber safety, relationship and sex education, Key Stage 3 workshops for pupils, and behaviour and safety training for staff. Schools booking mobile classroom visits also have access to SCARF, a comprehensive, year-round programme of study encompassing the entire PSHE and RSE curriculum for Reception to Year 6.

Our Finances and Funding

We continue to be very grateful to our regular and loyal donors who provide the backbone of our fundraising and whose support and encouragement has been a cornerstone in our ability to deliver our services to the children of Wessex and Thames Valley.

Whilst the bulk of our income comes from Grant Making Trusts, we would not be able to continue without the invaluable support of our many corporate, community and individual partners. Despite the fact that fundraising continues to be exceedingly difficult, thanks to the persistence of our small team of dedicated fundraisers, we raised £289,186.

Education is a difficult charitable purpose to raise funds for in an environment that rightly requires clear evidence of direct outcomes from our work. In conjunction with Coram Life Education, we continue to develop and enhance the comprehensive evaluation programme, which enables us to demonstrate clear and positive outcomes of our work.

We continue to explore opportunities to support various partners from the health arena such as Public Health, CAMHS, Clinical Commission Groups (CCGs) and Primary Care Networks, but securing funding from these bodies who have significant budgets remains tough.

Our Governance

Expenditure on governance is 5 percent of the overall cost in 2019/20 compared to 6% in 2018/19.

We were pleased to welcome two new Trustees to the Board. All Trustees have key areas of responsibility and members of the Senior Management Team are supported by a Trustee Mentor. Additionally, the network of Ambassadors supports our fundraising efforts. These small groups of Ambassadors spread throughout the region provide an invaluable link with their local communities and support the organisation by raising funds and raising our profile through local networks and community organisations, in particular, Rotary Clubs. Once again, my thanks go to the commitment and perseverance of my Trustees, Ambassadors and all staff.

We are continuing to work to enhance our Trust Board and to fill vacancies as and when they occur. We are very grateful for the continued support, experience and knowledge of our long-standing trustees, which is invaluable to the organisation.

We continue to be active on social media with a range of posts going out on a regular basis. We are grateful for those within and outside Life Education Wessex and Thames Valley and the wider Coram family who like and share these posts to raise awareness and support.

Our Future

There are many challenges as we look ahead to the next and future financial years, including:

- Continuing to be seen as the supplier of choice in the education sector and to do all we can to assist schools in achieving the curriculum and inspection criteria
- Keep our delivery materials and methods up to date
- Continue with program development to meet the needs of the children and keep ahead of the times
- Increase awareness amongst school governors, PTAs and parents
- Investigate and enhance funding opportunities.

The start of 2020/21 is already proving to be the most challenging time imaginable for our organisation and many other charities, and something that nobody has planned for, despite having a rigorous approach to financial and business planning. As we enter the year, we really don't know what shape or form our organisation will be in by the end of the year. However, having just had the strongest operational and financial performance for many years in the year which has just ended, does mean that we could not be in a better position to meet the challenges we will face in the year ahead. What we do know as a team is that Life Education provides a strong and much needed foundation for the children of the region to live safe, happy and healthy lives and that this will be needed more than ever in the year ahead as our young people also try to meet the physical and mental challenges that dealing with an international pandemic brings.

HEALTH AND SAFETY POLICY

The Trustees have adopted Life Education's national policy and each Trustee and employee has been provided with a copy.

CHILD PROTECTION POLICY

The Trustees have adopted Life Education's national policy and each Trustee and employee has been provided with a copy.

RESERVES POLICY

It is the policy of the charity to spend donations on the continuation and development of the service. However, to ensure that the Charity can meet its legal and statutory obligations should the Charity need to cease trading and be wound up, there will be a suitable reserve ring fenced in the management accounts to meet those obligations. It has been considered that a reserve of six months operating costs is adequate. This amounts to £237,000. The Trustees regularly review the amount of this Reserve.

TRUSTEES' RESPONSIBILITIES STATEMENT

Under that law the trustees have elected to prepare the accounts in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the trustees must not approve the accounts unless they are satisfied that they give a true and fair view of the state of affairs of the charity and the income and expenditure of the charity for that period.

In preparing these accounts, the trustees required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent; and
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the accounts comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Incoming resources

Income

All income is included in the statement of financial activities when the charity is entitled to the income, any performance related conditions attached have been met or are fully within the control of the charity, the income is considered probable and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

Donations and legacy income is received by way of donations, legacies, grants and gifts and is included in full in the Statement of Financial Activities when receivable. Where legacies have been notified to the charity but the criteria for income recognition have not been met, the legacy is treated as a contingent asset and disclosed if material. Grants, where entitlement is not conditional on the delivery of a specific performance by the charity, are recognised when the charity becomes unconditionally entitled to the grant.

Investment income is included when receivable.

Income from grants, where related to performance and specific deliverables, are accounted for as the charity earns the right to consideration by its performance.

Resources expended

Expenditure

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates:

Costs of raising funds comprise the costs associated with attracting donations, grants and legacies and the costs of trading for fundraising purposes.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Support costs are those costs incurred directly in support of expenditure on the objects of the charity and include project management.

Tangible assets

All fixed assets are initially recorded at cost and are subsequently stated at cost less any accumulated depreciation.

Life Education Wessex
Company Limited by Guarantee
Notes to the Financial Statements *(continued)*
Year ended 31 March 2020

3. Accounting policies *(continued)*

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Office furniture and equipment	-	10 Years
Mobile classrooms	-	10 Years
Computer equipment	-	3 Years
Other plant	-	3 Years

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.

Stocks

Stocks are measured at the lower of cost and estimated selling price less costs to complete and sell. Cost includes all costs of purchase, costs of conversion and other costs incurred in bringing the stock to its present location and condition.

Financial instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.
